Context from the Artist:

Since taking office President Trump has been leading America into a downward spiral. Instead of uniting everyone, he has divided us as a country. It feels As if we're back in the 50s with racial segregation and discrimination an example of this is the Charlottesville Rally where white supremacists went to protest the city's plan to take down Confederate monuments. The event turned violent after protesters clashed with counter-protesters. After seeing this play out on CNN I was inspired to make an abstract representation of the event that took place during the rally as the counter-protester was attacked.
